

Vision, Values and Aims

October 2016

Vision

At Auchengray Primary we promote an ethos of mutual respect for staff, pupils, parents and our local community; where we have consistently high but realistic expectations and every child is encouraged to work as active participants in their learning.

Aims

At Auchengray Primary:

- every child feels safe, valued and respected
- every child is encourage and supported to build resilience and independence through developing skills for learning, life and work
- every child is actively engaged in high quality learning experiences
- every child experiences equality of opportunity and social inclusion in order to meet their individual needs
- every child experiences and benefits from a broad general education as set out in Curriculum for Excellence
- we further develop and strengthen partnerships and links with home and the wider community
- we encourage social and personal development to enable all stakeholders to contribute effectively to society
